	- The contestants must answer the phone the first time we call, otherwise we will move onto another randomly selected contestant until they have someone available to come to air. 2.3 The Competition - Once verified, they will be brought to air during the KISS Breakfast Show (06.00-10.00) on KISS to play a game of 'How Many Inches?' - Each player will be asked a general knowledge question off air to ascertain who goes first. - The KISS Breakfast presenter will reveal who goes first based on the answers off air and they will instruct them of the timeframe they have to answer the question. - Once all understood, the KISS Breakfast Presenter will ask the question regarding a specific Currys product (either the height, width or depth of the item specified in inches). - This will then pass to the next contestant to give their answer – again in the specified timeframe - The player with the most accurate answer will win the prize (section 5.0 The Prize) - Both contestants will have to give an answer, and the closest to the actual measurement will win the prize (5.0 The Prize). - Players can give decimal answers - If they tie here (for example answer is 10 and one says 5, the other 15) – we give them another dimension of that same product to answer correctly. - The player who answers this correctly will win. - If in the case that they once again tie, the KISS Production team will revert to the question asked off air and award the player with the correct answer the winner. The KISS Breakfast production team reserves the right to pre-record any part of this Competition with contestants before the 'as-live' broadcast.
